PLEASE OBSERVE:

- If the new vehicle is subject to "PTPL", please ensure that your vehicle with the new vehicle data had been registered correctly for the "PTPL" system, BEFORE the vehicle data is changed.
- The toll company requires some time to complete the registration procedure. Therefore, it is necessary to request a change of vehicle data in due time!
- Please ensure that the change of vehicle data has been effected, BEFORE starting your journey. The current vehicle data can be reviewed in the UTA MultiBox® menu at any time.
